Senior Class History

IN 1951-52, the Seniors------as Freshman, struggled through their first year in Senior High School. Under the advisorship of M. R. Freson, they chose their class colors (blue and white) and purchased jackets.

As Sophomores they began establishing themselves by holding a St. Patrick's Day Dance and several bake sales.

As Juniors the Class of 1955 received their class rings and operated successfully under the supervision of J. Melvin Hood. Their major activities consisted of a Spring Dance, which they sponsored with the Sophomores, and the annual Jr. Sr. Ball, "Stairway to the Stars," which they co-sponsored with the Seniors.

The Seniors returned to A. C. S. in September, 1954 and immediately began preparations for their June graduation with the fitting of their caps and gowns. In November they held the annual Sadie Hawkins Dance, besides several sock dances throughout the school year. On April 2, the Class gave their performance of "Pure as the Driven Snow," as their selection for the annual Senior Play. "Some Enchanted Evening," the theme of the annual Ball, was one of the season's most gala social events.

THE educational pattern of America has changed in many ways-curriculum-physical facilities-preparation of the lives of boys and girls to meet our modern world. The branch schools in the Akron Central System have served several generations of people. They are among a gradually disappearing physical plant in our educational world.

However, with the introduction of centralization, they have kept abreast of the curriculum changes and preparation for our complex world.

The bell rings, calling the boys and girls from their play. The typical program includes one of the following each day: music in all its aspects, appreciation, technical songs, and folk dancing. The art program presents to the branch schools opportunities experienced in our finest public schools-ceramics, weaving, painting, and metal work. The physical education program presents competitive games and an introduction to the games played by all our students. The Branch Schools number 10 with an enrollment of 263.

The Christmas Programs were given December 13-14 for the enjoyment of the parents and friends of the Akron Central School System. In June, Field Day climaxed the year. This is America at work and play, building for a better tomorrow.

COACHED by Thomas Wetzen and Angelo Scappa, and captained by Louis Nanni and Thomas Bates, the Akron Tigers churned out their second Oatka Conference Championship in three years.

Although hampered by a small squad, Coach Wetzen kept the team in excellent shape physically and in high spirits for every game.

The team reached its peak against last year's champs, Alden, and defeated them on their own field in a hard fought game, 13-12.

Seniors who donned their Orange and Black uniforms for the last time were: James Allen, Burton Bacheller, Thomas Bates, Joseph Caprio, Jerold Edgar, Robert Hoste, Peter Kohler, Louis Nanni, Leonard Clary, Donald Schultz, and Wallace Swader. Ronald Romanowski was the manager.

The future looks bright for the squad because promising prospects like Sophomores James Downey and David Ross and Juniors Thomas Ketcham, Charles Casseri, and Richard Cory, will return next year.

THE Akron Central cages of 1954-55 proved record-breakers in many departments. In a real scoring contest against Lyndonville, the Tigers rolled up an aggregate of 95 points. Carlo Biscaro proved that size isn't an absolute necessity when he broke the existing school scoring record and went on to break his own record when he netted 30 points in the Barker game. Carlo scored 253 points for the season averaging 18.6 points per game. Also, Carlo was chosen by the coaches of the Niagara-Orleans League as a member of the first five of the All-Star Team. Next year the team will miss the ball-handling of Louis Nanni, the rebounding ability of Tom Bates, the "dead eye" of Mel Clary, Burton Bacheller's scrap, Pete Kohler's jumping, and Bill Oakes' aggressive play. Juniors Carlo Biscaro, Chuck Casseri, Rich Cory, and Sophomores Dave Ross, Jim Downey, and Jim Lippert offered potential strength and ability for the 1955-56 team.

Junior Varsity
